Gratitude for Your Participation in the Accreditation Survey Trials

Dear Vitalab Fertility Clinic (Gauteng)

May this email find you well.

The SASREG Accreditation Committee want to express our sincere gratitude for your invaluable participation in the accreditation survey trials.

Your willingness to engage in the accreditation process during its preliminary phase has been crucial in shaping the future of the survey processes for fertility clinics and the standards of interpretation of the Standards. Your input and feedback have allowed us to refine our survey criteria, ensuring that the accreditation process is thorough, fair, and aligned with the quality of care we strive for in reproductive medicine in South Africa. Your contributions have undoubtedly improved the overall quality and efficacy of the accreditation system, benefitting fertility clinics and their patients alike.

We understand that participating in the trial required a considerable commitment of time and effort from your team. We are sincerely appreciative of your dedication together with your cooperation and collaborative spirits.

Your expertise and passion for reproductive healthcare were evident throughout the process, and it has been a pleasure working with your team.

The result of your Survey is exceptional, and your clinic has achieved Full Accreditation Status according to the new SASREG Accreditation Standards. Congratulations!

We are therefore happy to provide your facility with an updated SASREG Accreditation Certificate valid for 4 years.

Once again, thank you for your exceptional support in making the accreditation survey trials a success. We value your partnership and look forward to continued collaboration in the pursuit of excellence in fertility care.

Kind regards

Lydia Els-Smit – Accreditation Committee Chair
